A 10% starting rate, for savings income only, applies to the extent that such income falls within the first £2,710 of taxable income (£2,560 for 2011/12). If taxable non-savings income exceeds this limit, the 10% rate does not apply. Income from **dividends** is taxed at 10% within the starting and basic rate bands, at 32.5% in the higher rate band and at 42.5% thereafter (these rates are applied to the dividend grossed-up by a tax credit of 1/9).
